This annual is the story of a year—1969. This has been a year characterized by many things, but let us remember it now for the opportunities we have had and the changes that have occurred.

Patient explanation makes learning easier and more meaningful.

Seniors have the opportunity to accelerate their education in Math V.

For the first time girls were allowed to study at U.M.S. on a part time basis as Fran Watts and Shelley Johnston attended physics each afternoon.

With the addition of several new faculty members and changes in the curriculum, U.M.S. is in a better position than ever before to provide its students with the education they need. Many of us realized this opportunity for the first time and reached out hungrily to grasp what we could; and regardless of the degree of success, our lives and outlook will never be the same.

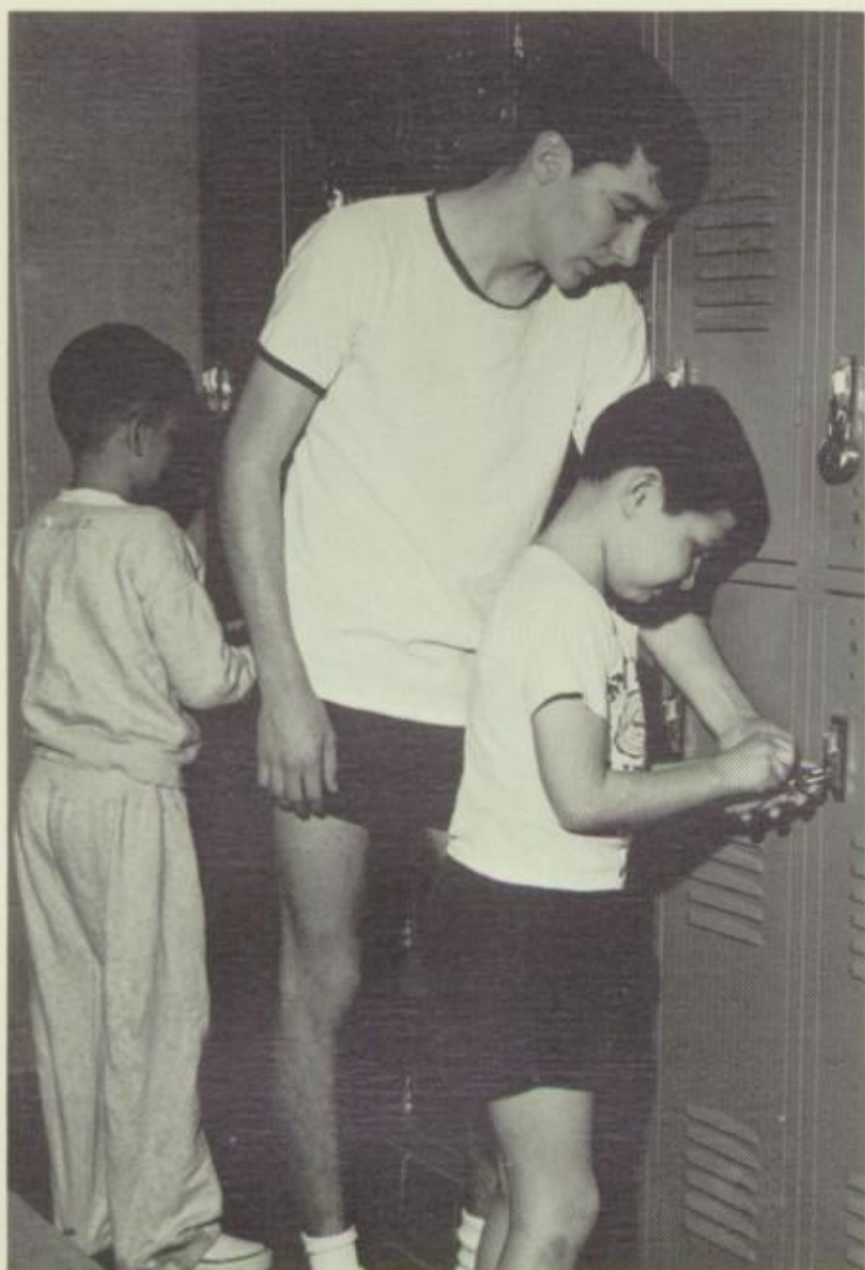

Emphasis is placed upon individual research and study to develop the entire intellect.

An informal relationship with coaches makes athletics more rewarding and enjoyable.

Activities of various sorts help create strong friendships.

Helping others with little things becomes an important part of our lives.

The willingness of fellow students to assist you outside of class makes it possible to gain greater depth in your education.

Faculty members are always available to help students.

Above all else 1969 should be remembered for the fellowships which it offered. U.M.S. is a small school and, as such, one of its greatest assets is the personal contact between student and student, and student and teacher. We learn to understand other people and realize their importance in our lives. We learn to live and work together and become aware of the importance of setting aside our own interests for the benefit of others.

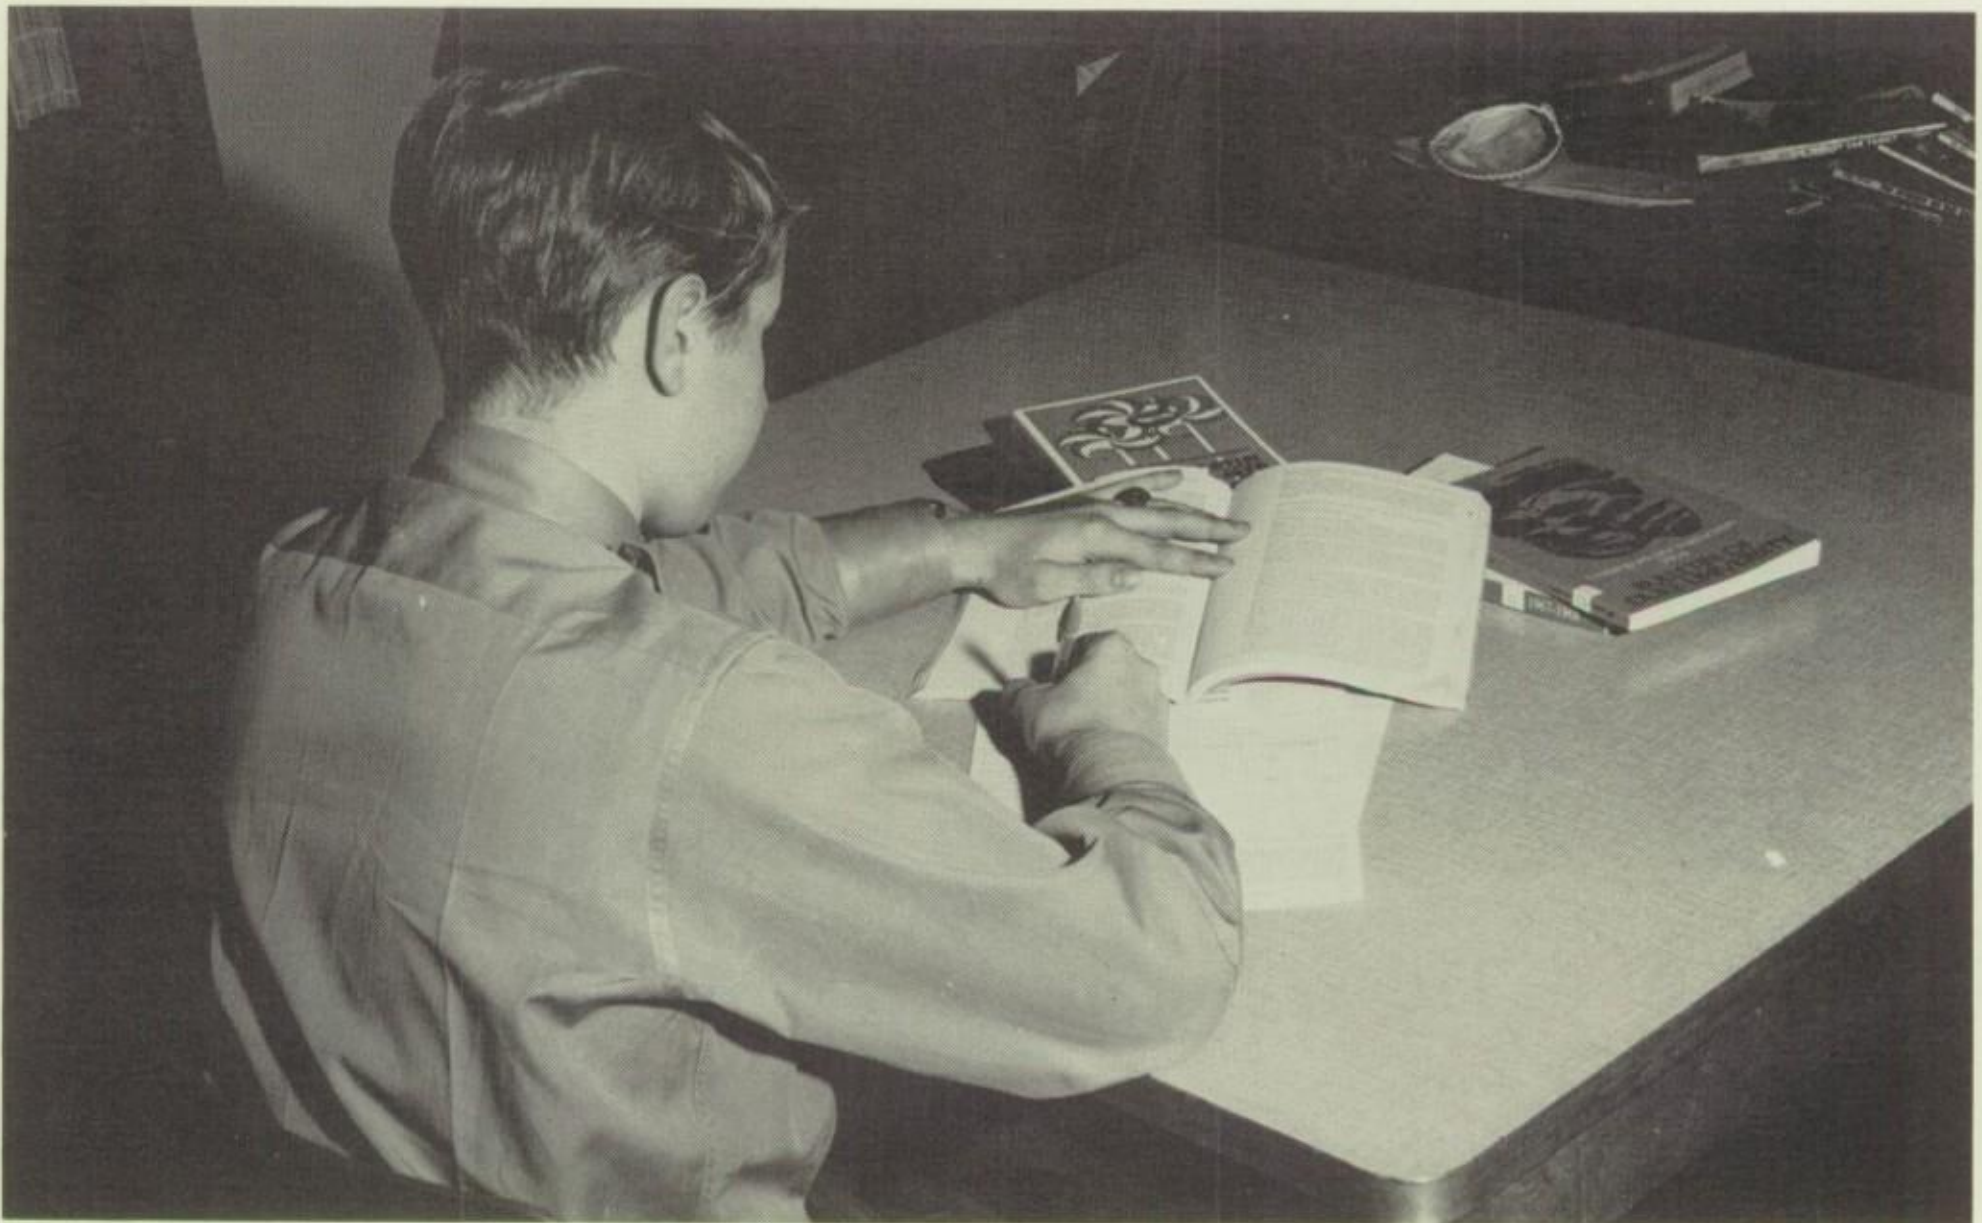

Three seniors received recognition by the National Merit Scholarship Corporation.

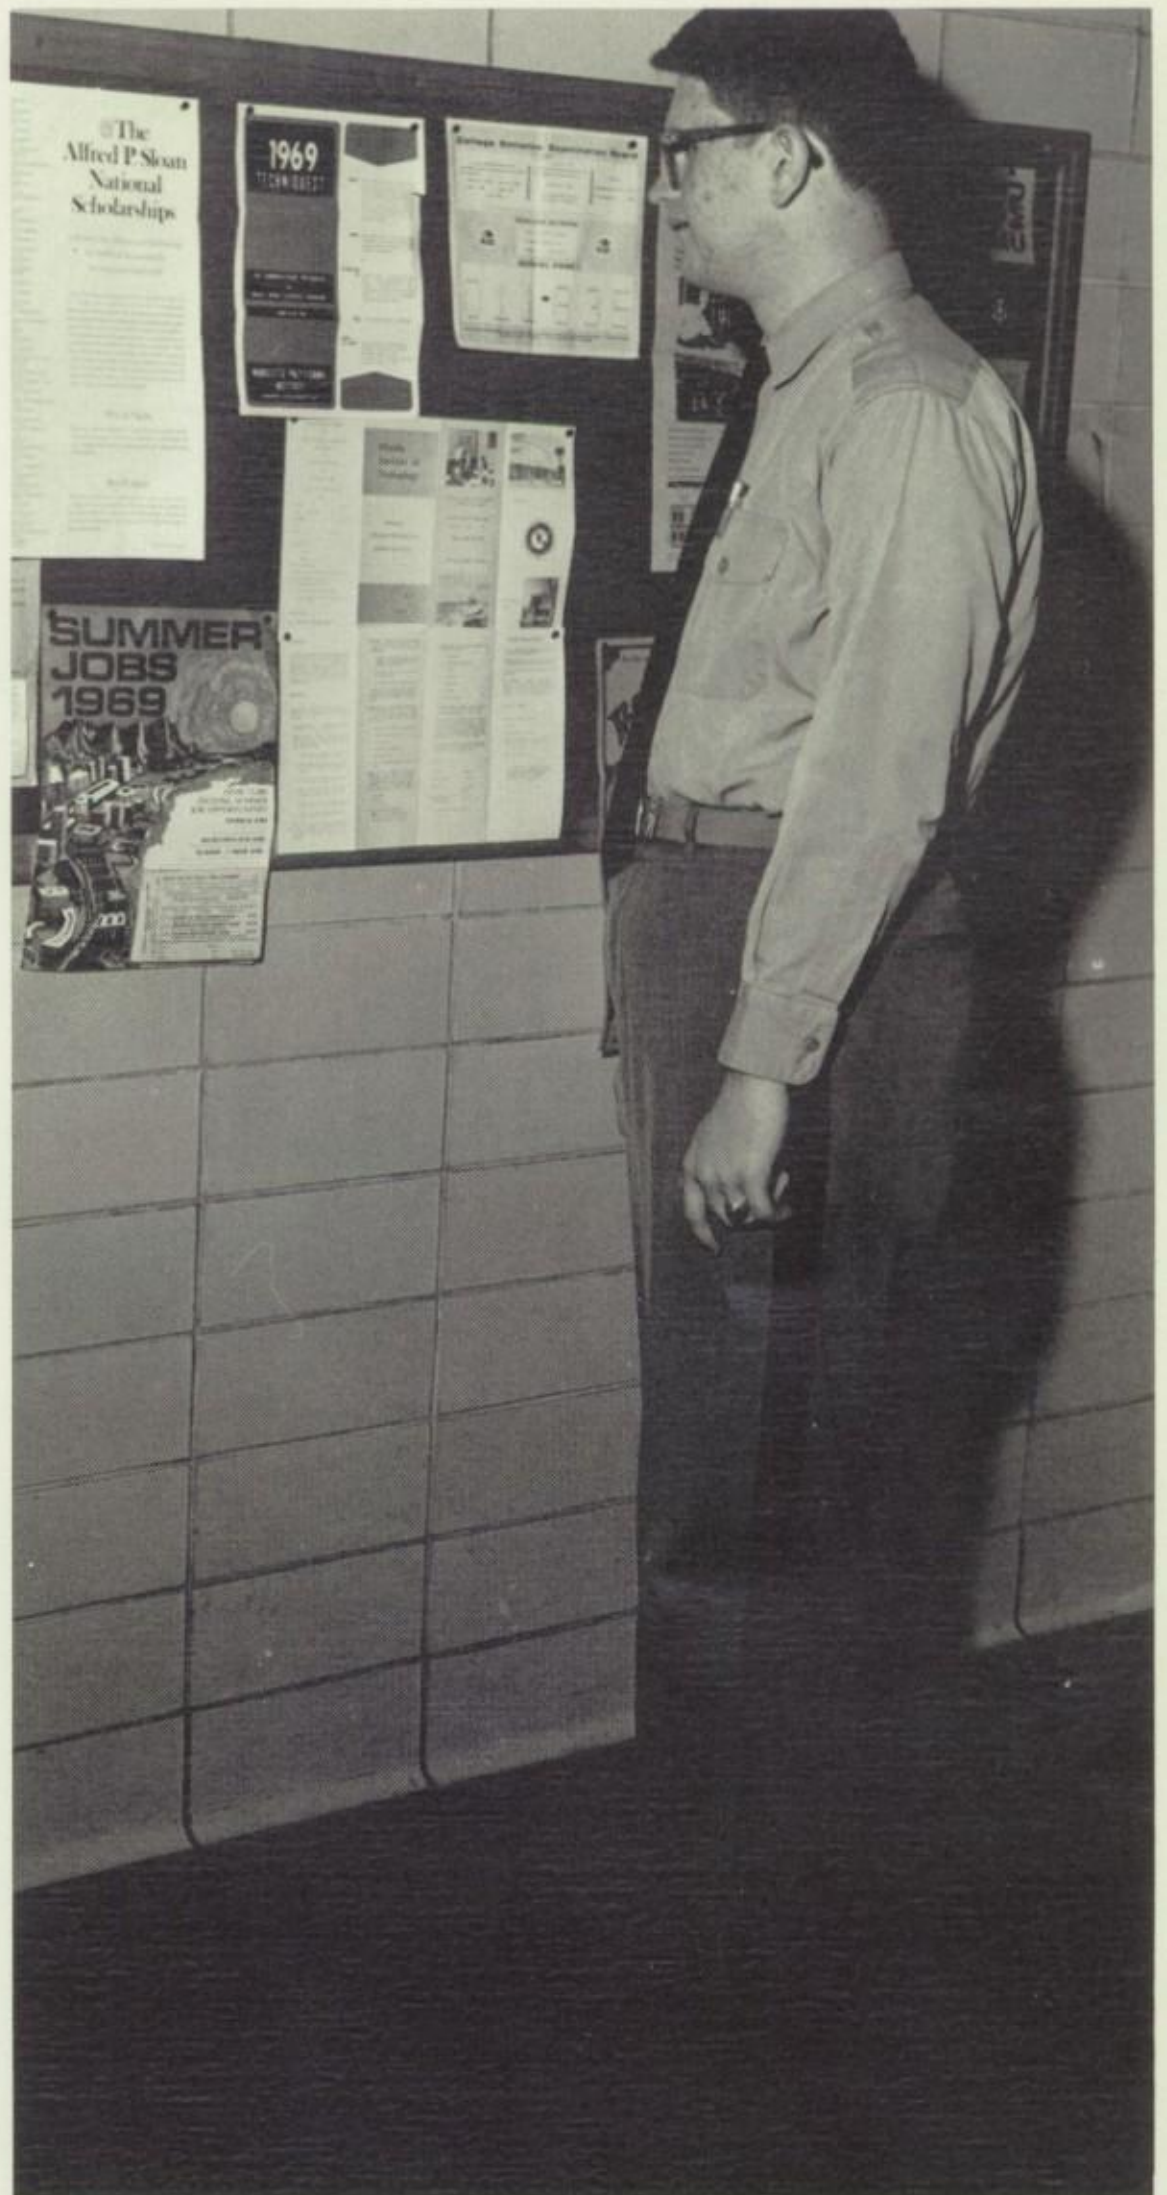

The mass of newly won trophies signifies the work and dedication of the track team.

Early in the year seniors must take time to make applications to colleges.

The Honor Roll offers recognition for serious students.

Scholarship and employment information becomes important as we leave the security of High school.

Just as 1969 offered U.M.S. students opportunity so did they meet it with action, for only by action may opportunity become reality. Yet this reality promises only more opportunity as we strive to prepare ourselves for a future as uncertain as life itself.

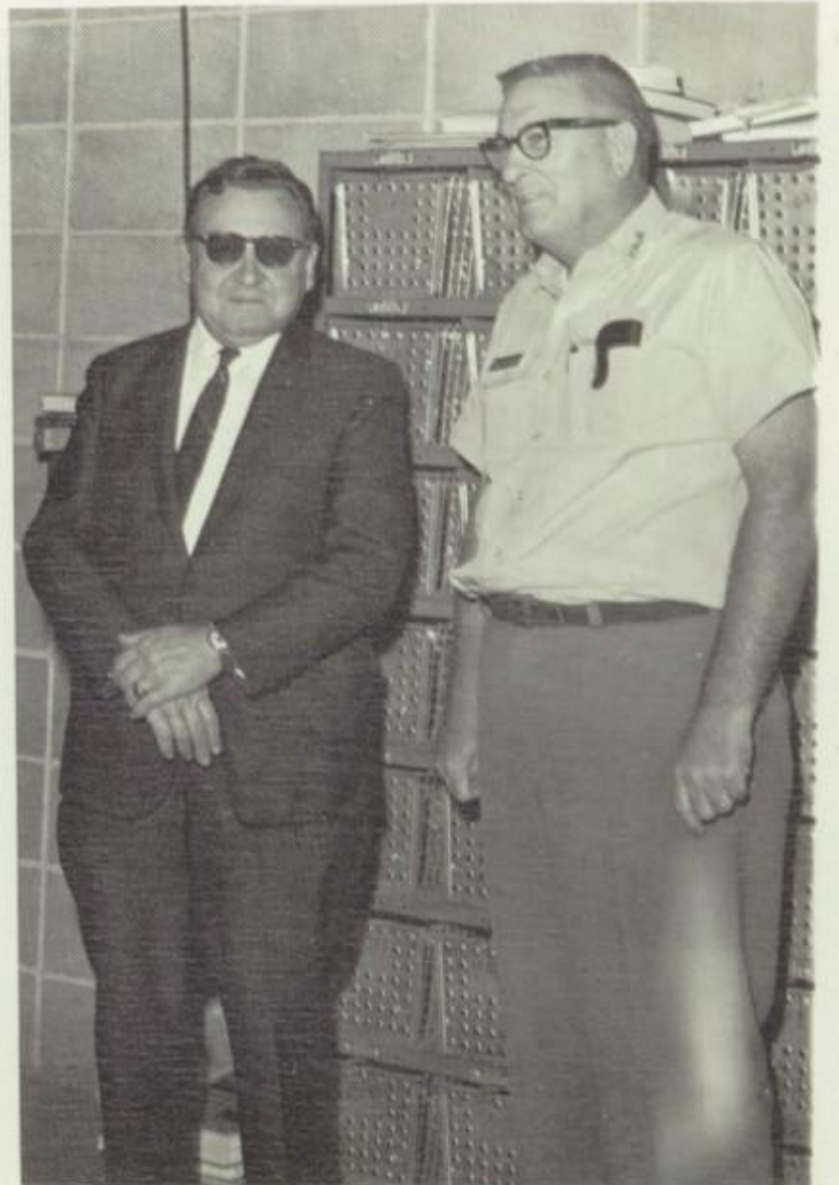

1969 Cadet Dedicated to

Colonel Thomas Cooper Huckabee

Ask yourself what makes a man great. Is it money or power, or could it be such qualities as concern for others and personal integrity? We believe it is the latter. To find proof of such greatness, we must look no farther than the superintendent of our own school. Colonel Thomas Cooper Huckabee is indeed a man who is great by any meaning of the word. His concern for young people is reflected both in his twenty-

three years of service at U.M.S. and in his daily personal life, and just as a man's character is reflected by his dealings with others, so is Colonel Huckabee's reflected by the faith and trust he shows for the students at U.M.S. It is therefore with great pride that we dedicate the 1969 *Cadet* to a truly great man, Colonel Thomas Cooper Huckabee.

CADET PRAYER

Dear Lord and Heavenly Father
As we search for knowledge and wisdom,
Grant that we may not forget
That Thou art the Giver
Of all good and perfect gifts.
Teach us to play the game with honor,
In our work and in our play.
May our words and deeds be such
That those who were before us
Will not be ashamed,
And those who follow after
Will find in us
An example of truth and courage—
The spirit of our school.
Give to us a noble spirit
That we, with our teachers,
May go forward to achieve
The highest goals in life.
Bless our school,
And all who teach,
And all who learn.
And Thine be the honor,
And glory forever,

Amen.

—David H. Edington, '99

The appreciation of the expressions of the world's finest thinkers together with an understanding of the merits of the styles in which such expressions are embodied is the ultimate goal of the English Department at U.M.S. To achieve this, it is necessary that the U.M.S. student be taught basic rules of grammar and rhetoric, and after being taught, he must put these rules into practice so that his education will be one of practice, not just theory.

MATHEMATICS

University Military School has two programs in mathematics. The first is the traditional mathematics program for pupils who do not intend to major in college in a course that requires more than the usual amount of general mathematics training. This program consists of two years of algebra, a year of geometry, and another of advanced algebra and trigonometry.

The second program of mathematics deals with the student who will either major in college mathematics or a related subject which requires more than a general knowledge of mathematics. In this phase, Algebra I is taught in the eighth grade, Algebra II in the ninth, plane and solid geometry in the tenth, trigonometry and college algebra during the eleventh, and principles of freshman mathematics in the twelfth grade. This second program is open to students only by way of examination and recommendation of the department.

The science courses at U.M.S. are designed to provide a foundation for the continued study of science at a higher level. This branch of study concerned with the observation and classification of facts gives the student a working knowledge of the physical world and an appreciation for the laws of nature, science, and scientific logic. In the ninth grade, physical science gives a fundamental study of our world. On the high school level more exact and comprehensive studies are given in the fields of biology, chemistry and physics.

At U.M.S. the Foreign Language Department has as its principal goals the preparation of students for foreign language study in college and the development of sufficient competency to permit first-hand research in the language on the collegiate level. In the various German, Spanish, and Latin courses, considerable time is devoted to oral-aural skills, but particular emphasis is placed upon achievement of reading and writing ability. Further, a reasonable portion of course time is given to cultural and social topics related to the people and land to which each language finds its home.

It is almost universally recognized that foreign language study is indispensable to a modern liberal education, and it is felt that U.M.S., while its department is not as comprehensive as some, provides to the student a quality of instruction to meet the most exacting demands.

Mrs. Gray teaches fundamental Spanish to her students.

Captain Treutel offers three years of German to his students.

The Social Studies Department at U.M.S. attempts to give its students that body of knowledge which deals with the human society and the relations and institutions involved in man's existence and well-being as a member of an organized community. To do this, the department program is based on an understanding of the history of Western Civilization and more specifically on a history and appreciation of his own heritage as an American. Thus, the department develops a foundation for a sound philosophical life and produces citizens for the future through a thorough understanding of the past.

Captain Redd points to the correct definition to use.

ELECTIVES

The courses at U.M.S. which are optional and enrich and broaden the student's curriculum are known as electives. Later, these courses prove to be a valuable tool for study in other fields.

Silde rule is taught to the student who is interested in finding a fast and efficient way to obtain answers for mathematical problems. Two years of Engineering Drawing are offered to the student going into the field of engineering. Typing is taught to insure neat work for important papers. Those going into journalism may take Creative Writing. And, finally speech is offered for those who will be required to do some form of public speaking in later life.

Mrs. Carlin listens as Bruce Lubel delivers.

Miss Burge views the class as they type.

LIBRARY

The library is kept open all day for students who wish to use it.

One essential factor in any persons education is the availability of research material. U. M. S. is fortunate to have one of the better high school libraries in Mobile. This is due largely to the work of Mrs. Margaret Pape who has returned to U.M.S. after working at Wright's School for Girls. Mrs. Pape has reorganized the entire library and has created a reference room and stack room for research purposes. There is also maintained in our library a large collection of bulletins and material on colleges for interested students.

MUSIC

The Music Department at U.M.S. reaches all students at some time. In the elementary, students are given both instrumental and vocal training. A comprehensive music course is given to all students in the seventh grade. Later one may join the Cadet Chorus and/or Cadet Band, and they will receive special training. If the student is considering a musical career, opportunity waits in this department.

The Physical Education Department at U.M.S. has changed somewhat this year. It now deals more with the development and care of the body and especially has reference to the instruction in hygiene and systematic exercises. Coach Don Kelly, heading the department, has given more attention than ever this year in developing the physical aspect of a young growing body and the mental aspect of good sportsmanship.

With the addition of three new coaches the athletic program staff now stands with: Joe Dean, football coach; Chuck Norman, baseball coach; Don Kelly, track coach; Wes Bizilia, basketball coach; and Tom Evans, swimming coach.

CAFETERIA

The Cafeteria under the direction of Mrs. Ann Jones and her staff have the difficult task of preparing the noon meal for the regular students as well as three meals a day for the dormitory students every day of the week. Their objective has been to serve well-balanced, hot, nourishing as well as enjoyable meals to meet the needs and peculiarities of a growing body. Morrison's Food Service Incorporated handles the food and personnel while the equipment is owned by U.M.S.

Mrs. Jones checks off food quantities as they arrive.

Cafeteria workers are: Williams, P., Beardin, F., Lucy, L., Tee, S., Bridges, W., Hill, M., Jackson, E., McDonnell, R.

Major Filippini heads the maintenance crew.

MAINTENANCE

In the past years the Maintenance Staff headed by plant engineer Major Bruce Filippini has done an excellent job in keeping the building complex at U.M.S. in a superb condition. Even with the addition of a new auditorium, pool, and dressing room their efficiency has not dropped. With students doing their share we can be sure that the school will always look at its best to all that may see it. Daily the maintenance crew is seen cleaning the grounds, repairing furniture, and sweeping the rooms in order to keep U.M.S. in the condition of quality that it deserves.

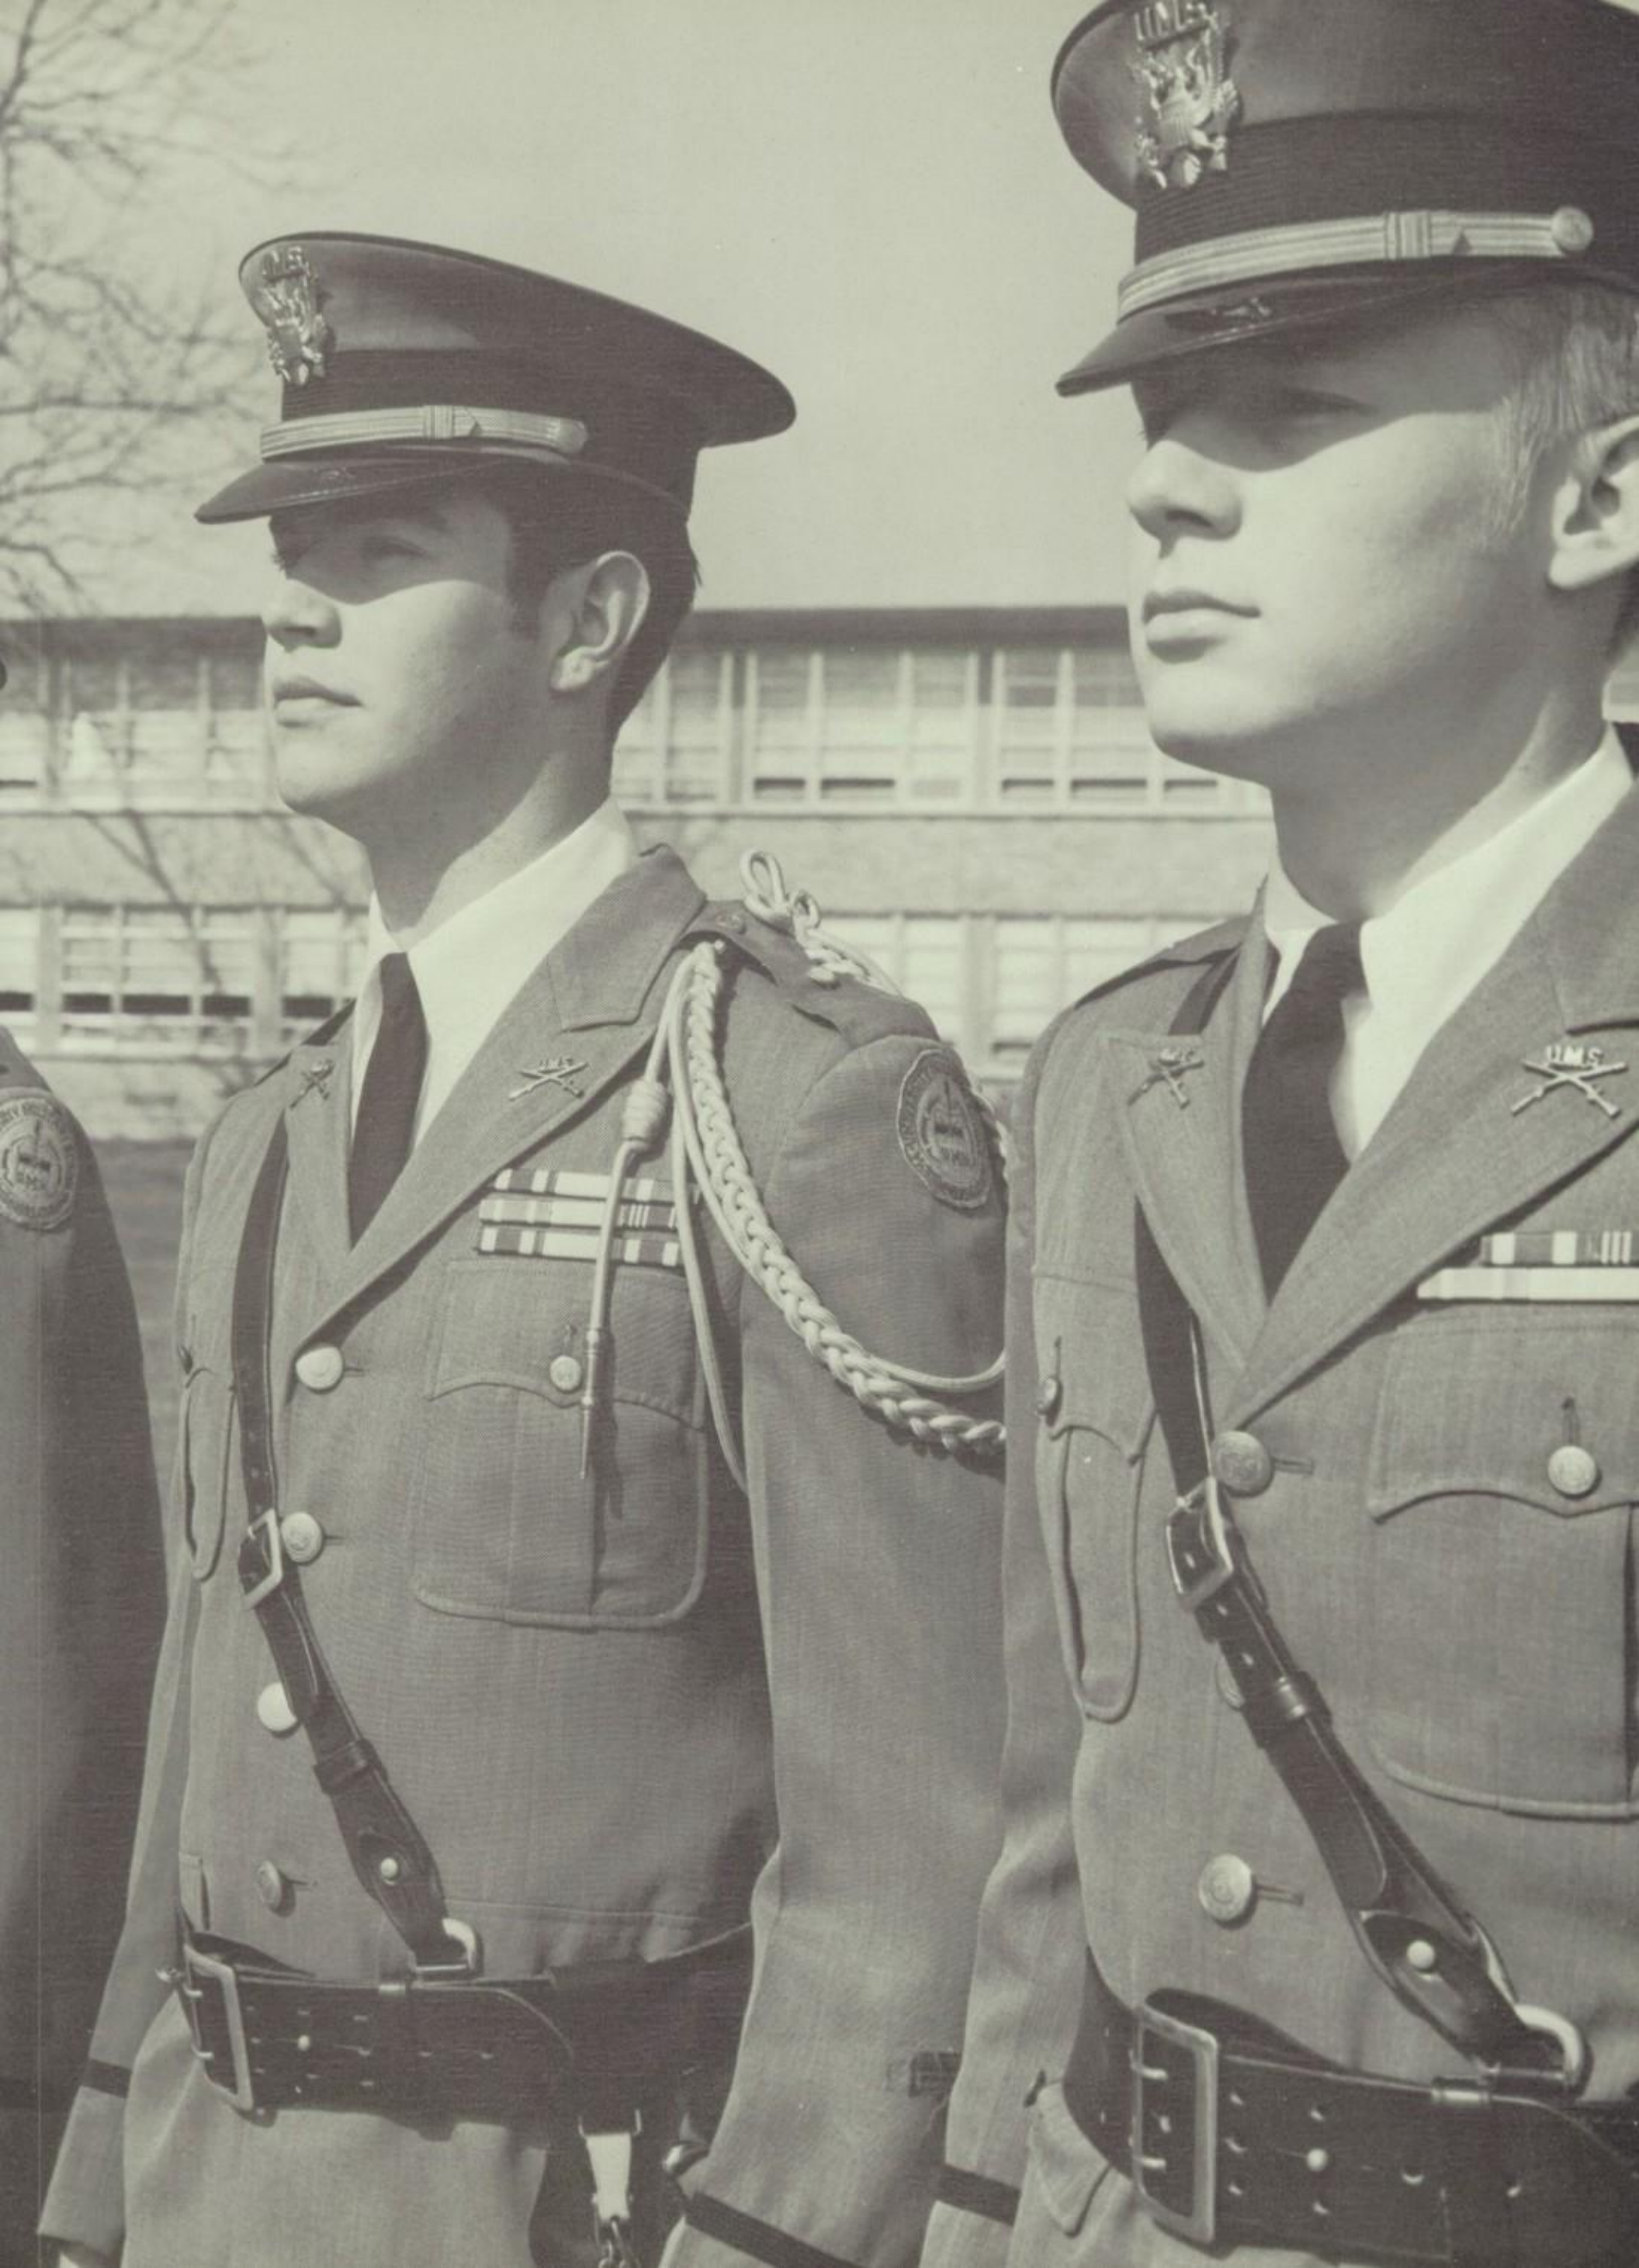

Janitors are: Jones, H., Simon, B., Donald, J., Jackson, E., Ford, J., and Gregory, M.

Members Work To Aid March Of Dimes

Serving the school, the community, and the nation is the purpose of the U.M.S. Key Club which is a chapter of the nationwide service organization, Key Club International. The club has been active this year in sponsoring a weekly most valuable football player award, a Halloween and a Christmas party for the children at the Mobile General Hospital, distributing Neighborhood Improvement Bulletins, selling programs at home football games, and assisting in several March of Dimes projects. Members attend weekly Kiwanis meetings to remain in contact with civic affairs and other Key Clubs.

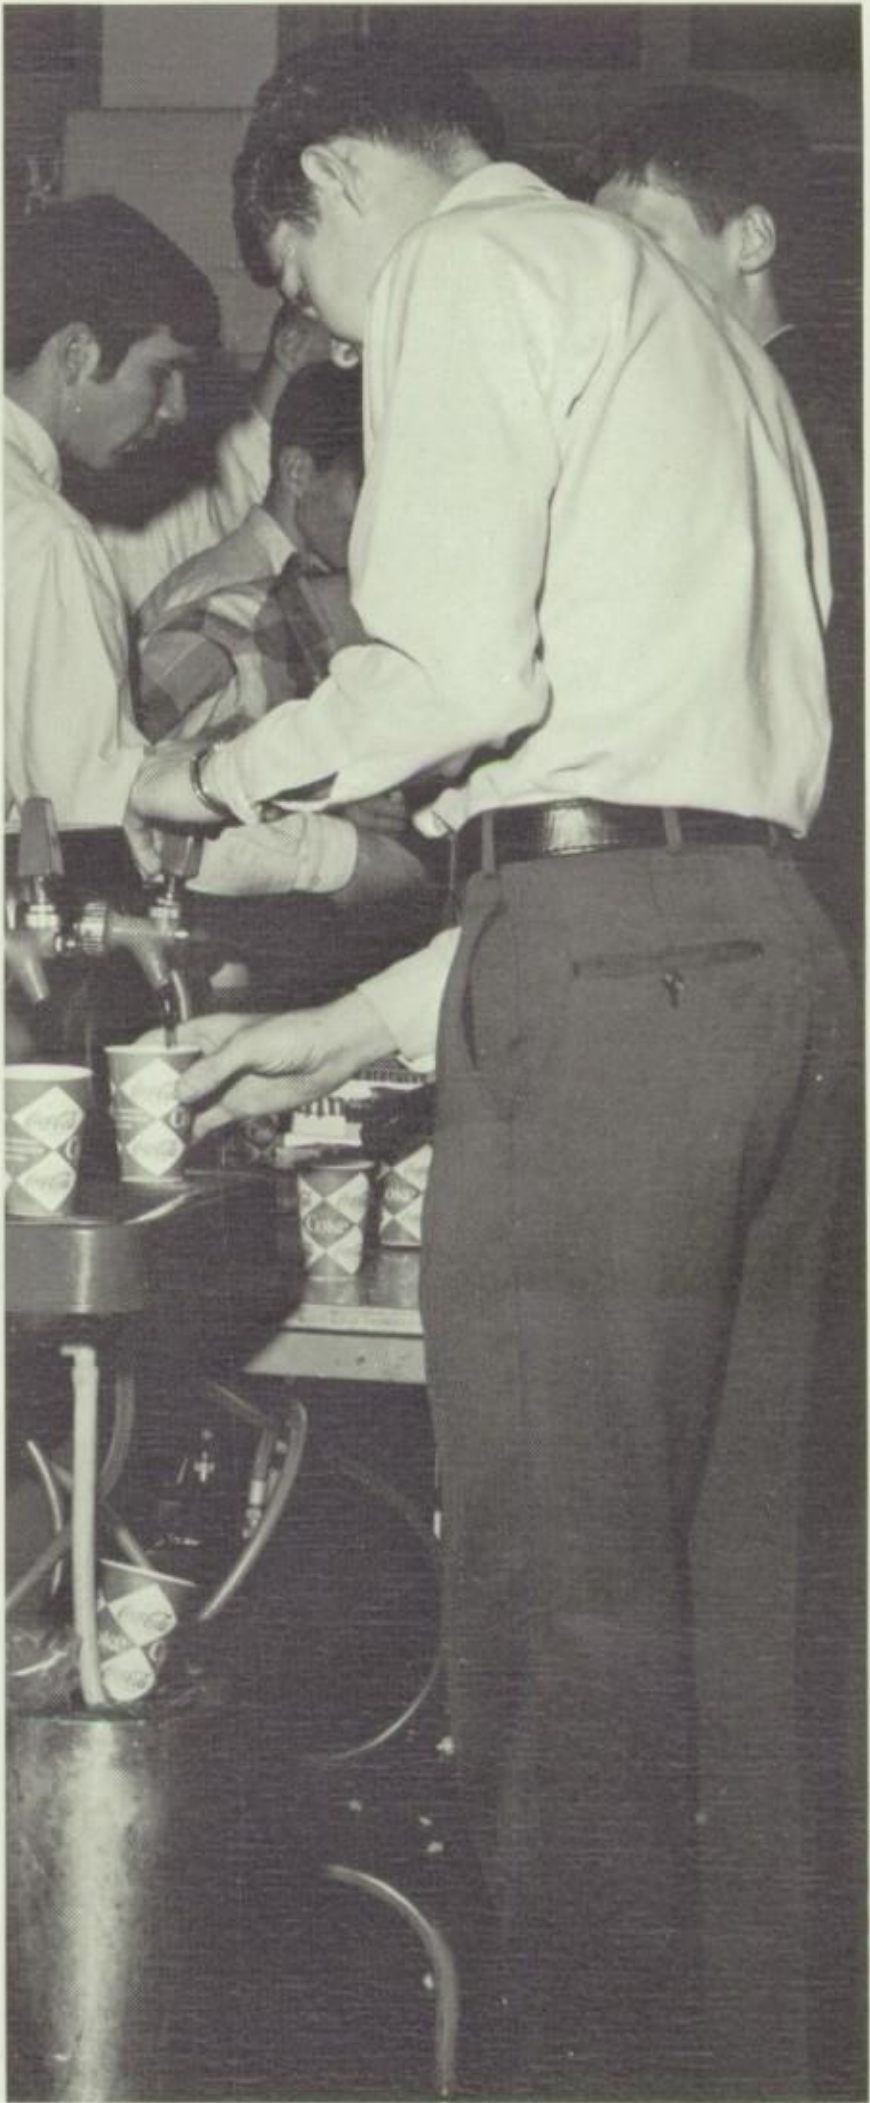

This years officers are: Tony Mintz, second vice-president; Gaylord Lyon, treasurer; Clyde Rouse, president; Bryan DeLaney, secretary; and Lloyd Moss, vice-president (not pictured).

Road blocks on Old Shell Rd. and Florida St. proved to be good spots for collecting for the March of Dimes.

Linda Trainor was chosen by the Key Club as its 1969 club sweetheart.

The basketball concessions was one of the most successful projects.

Key Clubbers enjoyed collecting for the March of Dimes on several occasions.

Bruce Lubel dared traffic on Old Shell to collect for MOD.

Gaylord Lyon distributes letters in effort to improve neighborhood.

Orientation Program Given By Council

Representing their respective classes on the Honor Council are—Front row: Joey Fetterman (seventh grade), Andy Harris (ninth grade), Kim Weber (junior), Tony Galanos (sophomore), Bill Coats (junior). Second

row: Neil Johnson (sophomore), Nick Holmes (junior), Harris Brown (ninth grade), Jerry Porter (junior), Bill Wheeler (eighth grade, not pictured).

One of the factors which has the most profound effect upon the students at U.M.S. is the Honor System. This system is based, primarily, upon the code which states that a cadet will not lie, cheat, or steal or tolerate anyone who does. Such a system clearly places the responsibility upon the students and its success testifies to their value of integrity.

The Honor Council is composed of fifteen boys elected by their respective classes and representing grades seven through twelve. Their duty is to enforce the Honor System and to make sure all students have a proper understanding of it. An orientation program is held each year for this purpose.

Scholarship is the primary goal of every student at University Military School. Thus the Julius Tutwiler Wright Chapter of the National Honor Society holds a position of importance as the only honorary society of academic achievement at this school. This year the society inducted twelve juniors and two seniors who had maintained an academic average

of at least eighty-eight and had demonstrated the qualities of leadership, service, and character. This brought its total membership to twenty-eight members. Our chapter this year was under the leadership of Bryan DeLaney, pres.; Lloyd Moss, vice-pres.; Clyde Rouse, sec.; and Major A. M. Hinson, adv.

The junior members are—First row: Bill Coats, Ed Fuchs, John Coggin, Kim Weber, Mark Wiley, Nick Holmes. Second row: Sandy Stimpson, Chris Gewin, Robin Murray, Butch McConnell, Tom Taul, Jerry Porter.

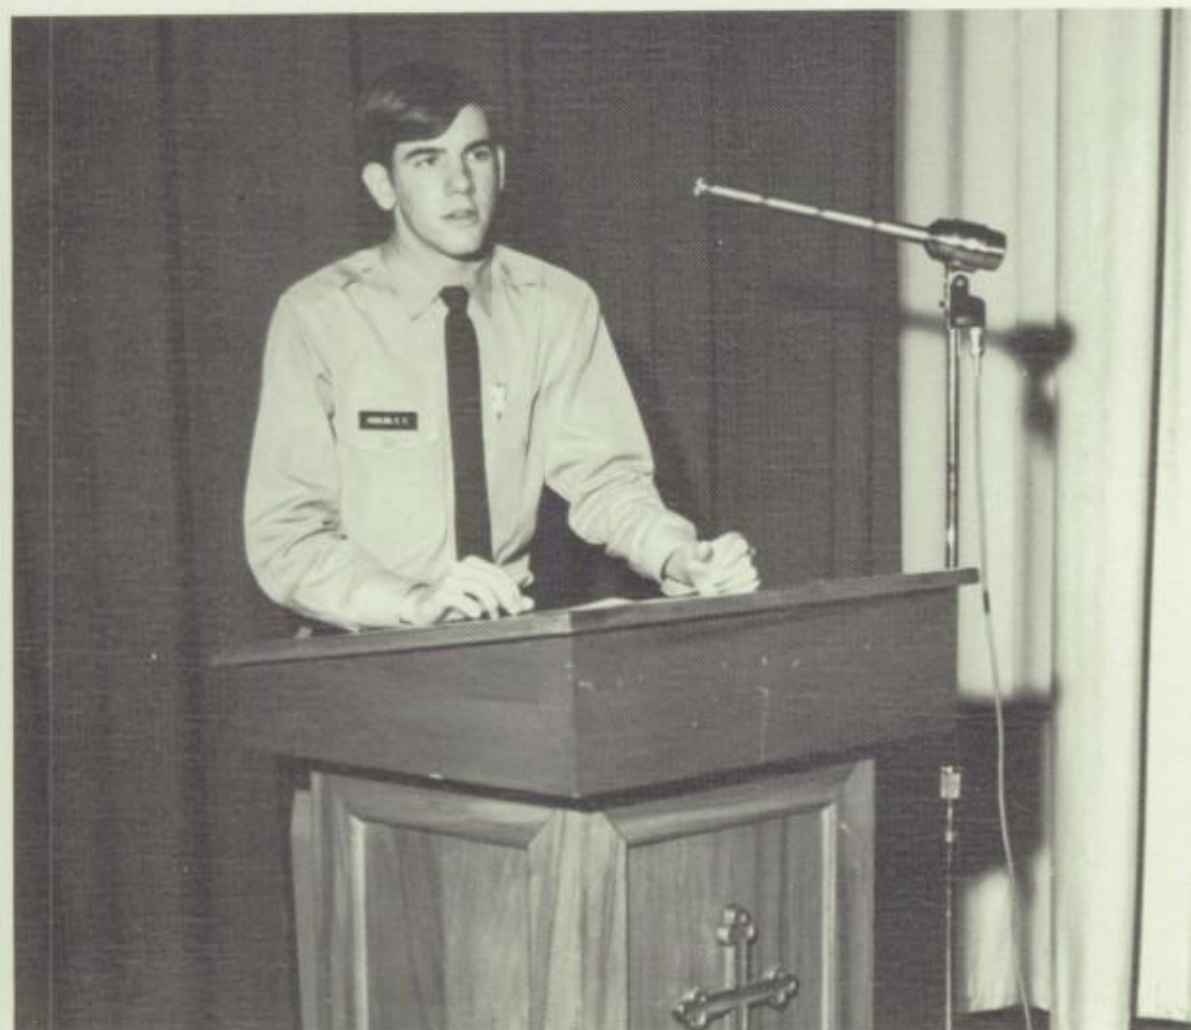

Debate Team members are—Kneeling: Mike Moulton. First row: Mike Ballard, Alvin McPherson, Fred Benjamin, Jay Ezell, Max Benson.

Debate Team

Captain Redd Takes Team To New Orleans

Erwin Heblon demonstrates his skill.

Other than the tournament in Mobile at Springhill College, the debate team traveled to New Orleans, Samford University, and the University of Alabama. Debating has been in the area of providing manpower for national defense. The specific debate topic concerns the institution of a compulsory service program. U.M.S. hosted a Spring Clinic sponsored by the statewide association again this year. Increased emphasis has been placed on individual events this year, and the results have been promising.

Council Undertakes United Fund Drive

This year's Student Council representatives are—First row: J. Gallalee, J. Duffy, R. Popwell, M. Gerhardt, M. Moulton, E. Coats. Second row:

C. Weaver, L. McVay, R. Sturges, F. Benedict, F. Ellis, J. Hunt, M. Brown. Third row: W. Sewell, T. Carpenter, B. Montiel, L. Barnett.

Student Council members, under the leadership of President Ricky Cain, sponsored many worthy projects for the school and community. The eighteen members and four officers organized the United Fund Campaign which had ninety-eight per cent student participation. To boost school spirit the council organized buses to out-of-town games, erected posters, sold booster ribbons and buttons, and sponsored pep rallies and soc hops.

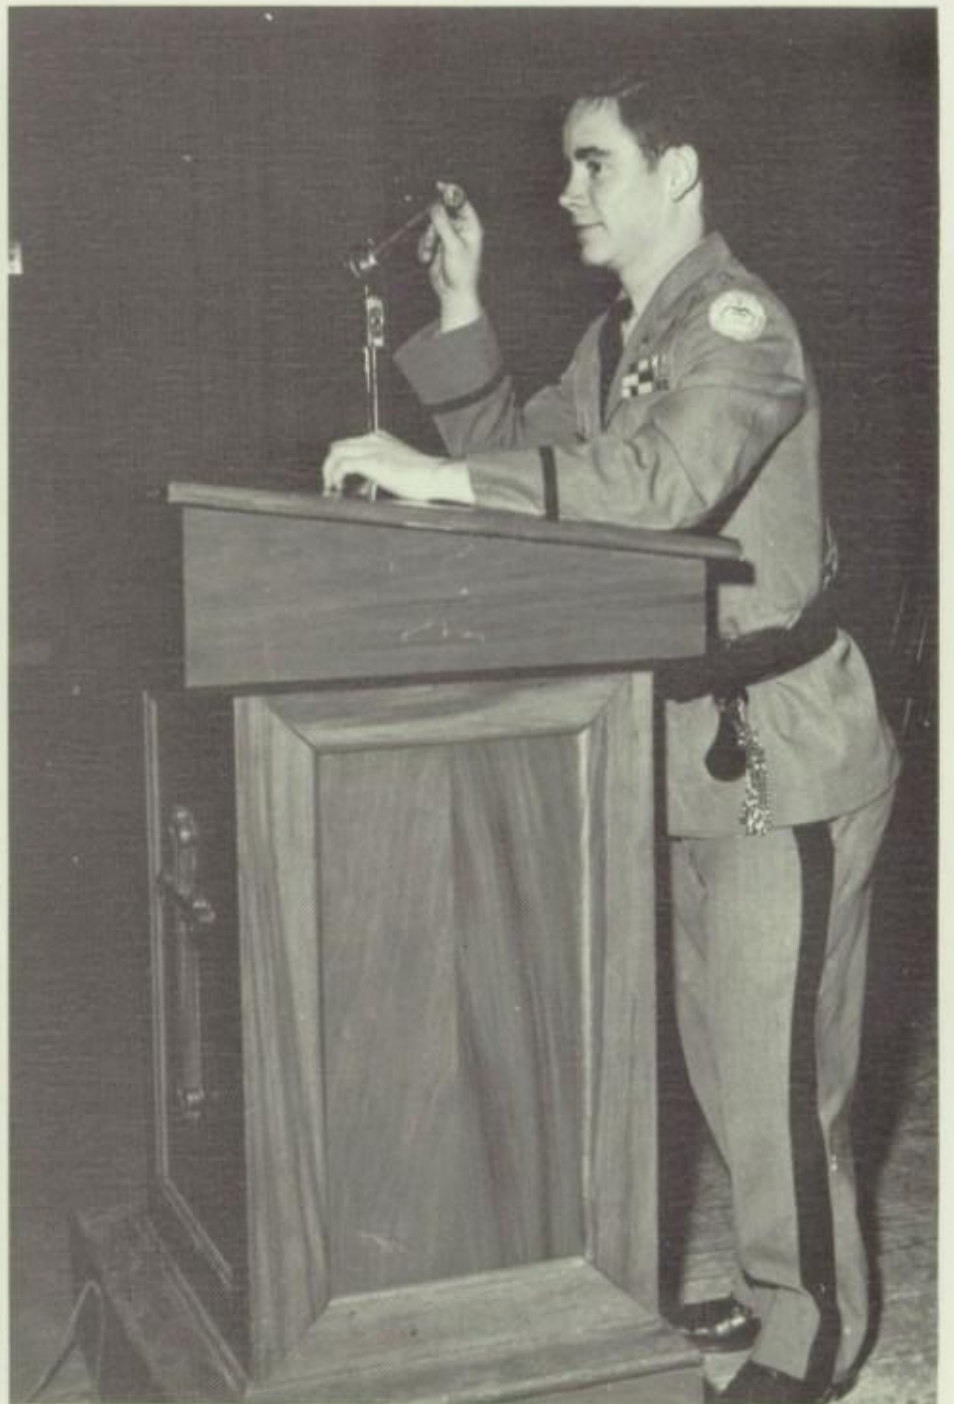

Student Council members printed and distributed basketball programs, handled the polls for all student elections, and organized a drive to purchase Christmas presents for the janitors. The group also sponsored the annual U.M.S. Father-Son Banquet, having as their speaker for 1968 Coach Tom Fears, head coach of the New Orleans Saints.

Leaders elected by the student body are: Allen Cox, secretary; Ricky Cain, president; Bill Coats, vice-president; Sandy Stimpson, treasurer.

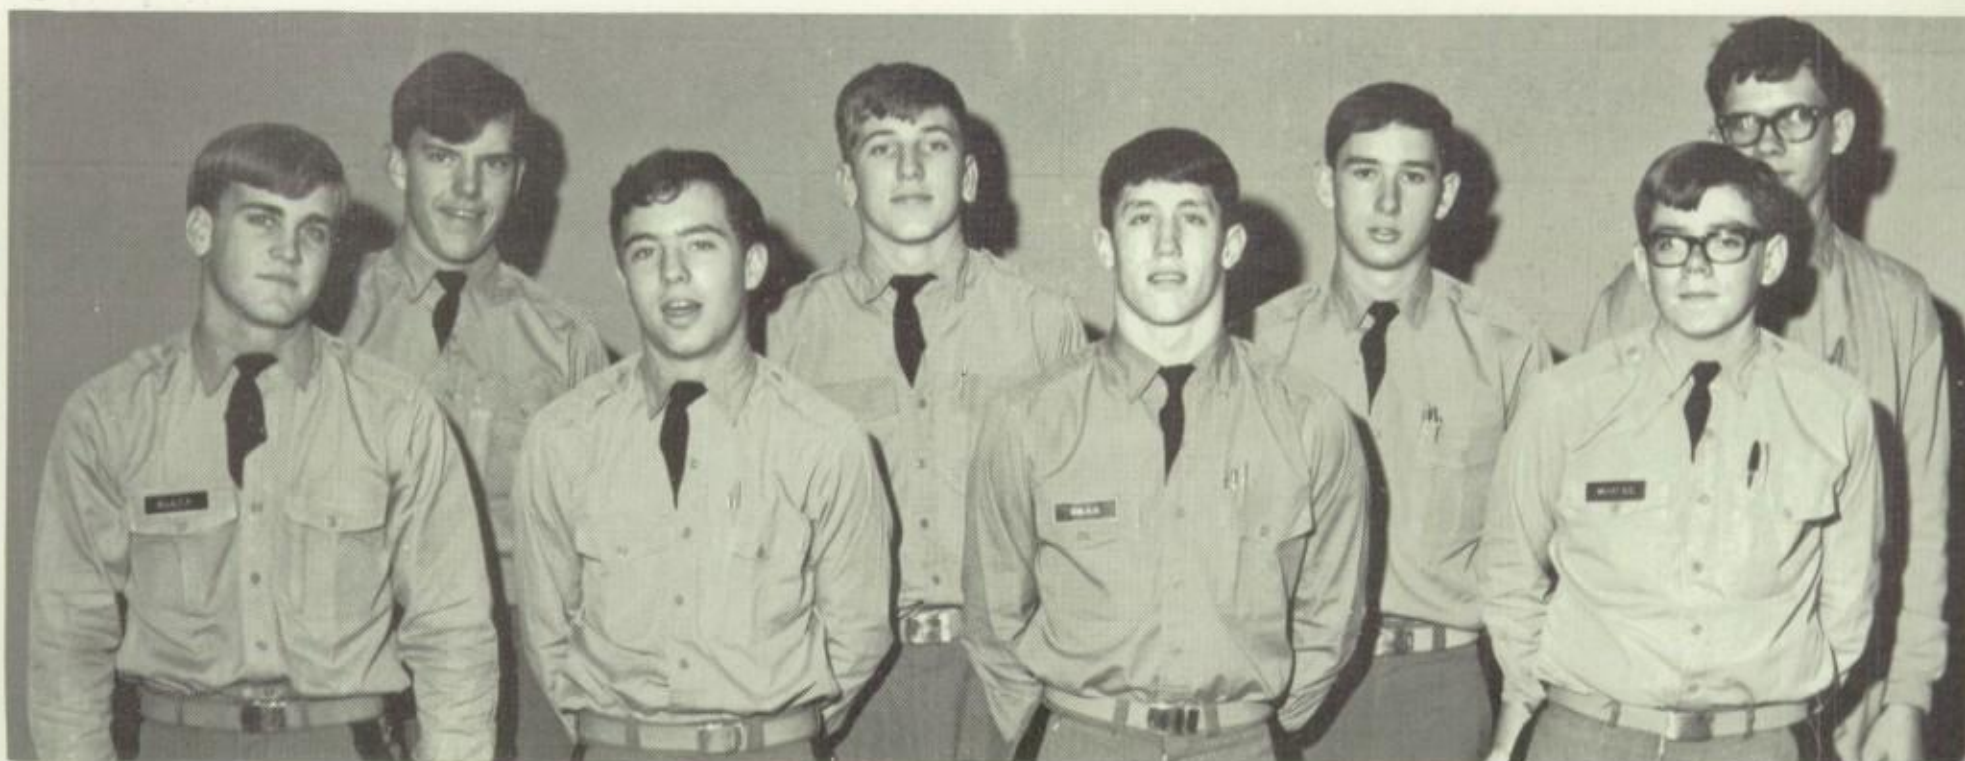

Booster ribbons were sold to improve school spirit.

President Ricky Cain acted as intermediary between students and faculty.

Tommy Carpenter collected for the United Fund from the junior class.

Battalion Review

Paper Sees Great Improvement

This year under the direction of Daly Baumhauer and John Peebles, the "Battalion Review" has put out twice the number of issues as last year's paper. This increase is due to the combined cooperation of the three staffs and the editor.

This years Battalion Review was managed by John Peebles, business manager, and Daly Baumhauer, editor.

Members of the Literary Staff are: Mike Ballard, Jere Friedman, John Worsham, Joseph McGraw, Roy Hoffman.

Annual Staff Offers New Ideas

This yearbook is the product of many hours of dedicated work by the entire Cadet staff. Their goal this year has been to produce a book which is distinctly different from any previous issue and still maintain the high standards of our school. This is a difficult task and only the reader can properly judge our success.

Special recognition should be given to Tommy Carpenter, business manager, and Vaughan Drinkard, head photographer, whose efforts have been especially significant in the production of this book.

Under the superb direction of Captain Woodruff, students learn to act their parts effectively.

An important outlet for those students interested in the performing arts may be found in the newly formed U.M.S. Theater Guild under the direction of Captain Maxwell Woodruff. Organized this year the guild consists of boys from U.M.S. and girls from Murphy and Wright's who have participated in some way in a U.M.S. production.

During the 1968-69 season the Theater Guild has put on two major performances, both of which were accepted with great enthusiasm. These are *Arsenic and Old Lace* by Kesselring and *The Man Who Came to Dinner* by Kaufman and Hart.

ACTIVITIES

Homecoming Honors Class Of 1918

The presentation of officers is an impressive part of the Battalion Parade.

U.M.S. Homecoming ceremonies were held Friday, November 8, 1968. First, the Homecoming Queen, Bradley Clark, was presented. Following the presentation of company sponsors, the officers and staff of the Battalion were presented. After a formal dress parade, the guests moved into the Auditorium-Chapel for a choral program, led by Captain Ted Beverly. This was followed by a reception around the swimming pool. The U.M.S. vs. McGill football game concluded the day's activities.

Talented Groups Entertain Cadets

Young Americans perform.

U.M.S. was very fortunate to have two well-known groups perform for its students. First, the Young Americans entertained with a variety of songs, ranging from religious to popular. Second, U.M.S. was visited by the Junior Miss "Has Beens", a group of Junior Misses who return to Mobile in the years following their participation in the Junior Miss Pageant. Both groups were great successes with the U.M.S. audience.

Students Stage Popular Musical

The combined Music Departments of U.M.S. and the Julius T. Wright School presented the musical "Best Foot Forward" on Thursday, April 25, and Friday, April 26, 1968, in the D.R. Dunlap Auditorium. The play was under the direction of Captain Thomas Newman and Mrs. Martha Thompson. Leading roles were played by: Harold Williamson, as Bud; Jessica Voran, as Gail Joy; Julie Hardy, as Helen; Max Benson, as Dutch; Hal Avant, as Jack; Bobbie O'Conner, as Mr. Reeves; Tommy Donald, as Hunk; Ann Brown, as Minerva; and Joe Woulard, as Chester.

Students Exhibit Enthusiasm For Team

This year at U.M.S. a concerted effort was made to increase school spirit. Meetings were held during which student leaders discussed means of boosting pride in the school. Attendance at football games was up considerably, and some of the largest crowds in the history of U.M.S. attended the basketball games. Much credit should be given to this year's cheerleaders, who have played a great part in this increase in school spirit.

Students Enjoy Southern Miss. Operetta

On Wednesday, November 20, 1968, the touring company of the University of Southern Mississippi opera group performed at U.M.S. They presented the operetta "The Old Maid and the Thief". The plot centered around an old maid who fell in love with a thief who came to the door seeking shelter. The scenery was done in black and white to simulate its appearance on television, for which it was originally intended. The show was under the direction of Mr. Jerald D. McCollum, the Music Director at U.M.S. from 1962-1967.

The old maid tries to persuade the thief to stay.

Band And Chorus Present Seasonal Program

During the program Christmas carols were presented by the Singing Cadets.

The 1968 Christmas Program was presented December 16, by the Choral and Instrumental Music Departments of U.M.S. The program first presented the U.M.S. Band, under the direction of Major Fred Addison, playing a variety of songs. Second, the U.M.S. Cadet Chorus and Singing Cadets were presented. Their performance was centered around ancient and modern Christmas music.

A trumpet solo was present by Plemmons.

Cadets Escort Azalea Trail Maids

University Military School was fortunate to be chosen to participate in the 1969 Senior Bowl Half time Show. Several weeks before the game, boys were selected from grades ten, eleven, and twelve to dance with the fifty Azalea Trail Maids. Rehearsals were held frequently, and soon most of the Cadets were waltzing perfectly. The morning of the Senior Bowl, the temperature was near 37 degrees, and all the Cadets and their partners met at the stadium at nine o'clock. After three hours of rehearsal, the participants ate lunch and dressed for the game. The half time show was perfectly performed and it was declared one of the best half time shows ever presented at any Bowl game.

Clyde Rouse and Ginny Hand waltz at half time.

Senior Antics Raise Money For Hop

In an attempt to raise money for their Commencement Hop the seniors of 1968 put on *The Senior Class Follies*. The play featured various sketches of classrooms and personalities around the school. There were also included some more serious portions in which the seniors demonstrated their own particular talents. Among the most popular was the musical trio composed of Harold Williamson, Michael Milling, and Jay Dodson.

Scene changes allowed time for more serious entertainment.

Ballet was discovered to be a hidden talent of many seniors.

The Klan is still strong, even at U.M.S.

Sand And Rain For Junior-Senior Party

On April 24, 1968, the juniors and seniors of 1968 boarded buses for the beginning of their annual Junior-Senior Class Party. This year the party was held on the west end of Dauphin Island where a house had been rented for the day. Unfortunately the weather turned cold and little swimming could be done.

With the activities limited by the weather, minds soon turned to food and the lunch was devoured well before noon. The day was then topped off with a cleanup organized by Major Filippini before heading back to school.

During the party seniors let off steam by throwing Capt. Redd in the water.

Softball was one of the several games played on the sand.

Confederate Memorial Day is an annual event, held in late April. As is customary, the U.M.S. senior class, Band, and Colors paid tribute to those who served in the Confederate States Army by forming an honor guard. This guard marched in formation to Magnolia Cemetery, the site of the ceremonies.

Theater Guild Presents Arsenic And Old Lace

Arsenic and Old Lace was the first of the season's productions by the U.M.S. Theater Guild. The plot revolved around two old ladies who proceeded to murder several men and bury them in the basement. Members of the cast included Robbie Turner, John Peebles, Joe Givhan, Capt. Woodruff, Louise Harris, Max Benson, Becky Recor, and Augusta Norden.

The old ladies discuss their plans with Teddy Roosevelt.

The villain is finally captured.

Teddy is questioned about the Rough Riders.

Becky Recor is captured by the thieves.

The police finally arrive.

Underclassmen Take Revenge

One day each year is set aside for the underclassmen to get back at the Seniors. All members of the Senior Class are required to be present, and for a price, are subjected to

various indignities, such as dousing with ice water, sitting on ice, and pushing them into the mud. All proceeds go toward defraying the costs of the Hop.

Cadets Compete For Athletic Awards

Field Day is a holiday held each Spring at U.M.S. during which cadets compete in track, field, and other athletic activities. On this day, there is a competition among the companies of the Senior Battalion to see which one can receive the highest number of points. Points are awarded according to how many First, Second, and Third Places each company gets. D Company was the winning company at the 1968 Field Day activities.

The Military Program

The basis for the military program at U.M.S. is to be found primarily in the drill sessions which are held at least three days a week. The student body is divided into a Senior Battalion, grades seven through twelve, and a Primary Battalion, grades one through six, which are further broken down into eight companies of two platoons each. In addition to these, there is also a Crack Platoon and Band which operate as individual units. Cadet officers are chosen from the senior class on the basis of overall merit, and it is their responsibility to maintain the drill program under the guidance of Maj. A. M. Hinson and Maj. Daniel B. Nolan.

Each year the military program at U.M.S. quite naturally changes with the complete turnover of new officers. 1969, however, has seen even greater changes than this. In order to maintain reasonably small platoons, the sixth grade was moved to the Primary Battalion and a new company was formed. This was necessary to accommodate the large number of new students present this year.

Another first this year has been the creation of a Primary Crack Platoon. The purpose of this organization will be to give the elementary boys experience drilling with a rifle.

In what can be described as a rocky season, the U.M.S. Cadets were able to post a 1-9 record. Due to a lack of experienced reserves, many of the older boys had to play both offense and defense. In the latter stages of several games, the Cadets were defeated because they had simply run out of gas; however, many a stronger team found itself fighting for its life in the final quarter. U.M.S. had its share of bad breaks in that it lost three games by a single point, and it battled state-ranked Davidson until the final seven minutes. Under the leadership of Head Coach Joe Dean and assistants Don Kelly, Chuck Norman, and Wes Bizilia, the Soldiers gave a good account of themselves whenever they played. With only seven seniors graduating, the outlook for future U.M.S. teams is bright.

TIGERS EDGE U.M.S.

The Bay Minette Tigers spoiled the opening U.M.S. game by handing the Cadets a tough 7-6 defeat. The Tigers scored their touchdown on an 11-yard run by Mickey Hudson early in the first period. The important extra point was added and Bay Minette led 7-0. After the half the Cadets came to life on the passing of Neil Patrick and the receiving of Allen Cox and Millard Harris. The U.M.S. score came on a pass from Patrick to Harris, but Randy Speas' conversion attempt was blocked. For the remainder of the game the Tigers were able to control the ball and clinch their victory.

REBELS TRIP SOLDIERS

U.M.S. suffered its second consecutive 7-6 loss as it fell to the Shaw Rebels. The Cadets scored first on a 1-yard run by Mike Black following a Shaw fumble. The extra point attempt was blocked, but U.M.S. led 6-0. In the second period

Shaw tallied their touchdown on a short run by Guy Herring after the recovery of a Cadet fumble. The extra point was added giving the Rebels the winning margin in the game.

MURPHY STOPS CADETS

The Murphy Panthers dealt the Cadets their third consecutive loss of the season by a 14-0 score. The Panthers effectively bottled up the U.M.S. attack while pushing across two touchdowns of their own. The Murphy scoring came early as Terry Curtis led his team on a sustained drive climaxed by a short scoring run by Terry Phillips. Curtis added the extra point giving Murphy a 7-0 lead midway through the first quarter. Murphy's other score came on a short run by Curtis in the second period. The Cadets were completely halted on offense by the aroused Murphy defense. U.M.S. was able to manage only one scoring threat throughout the game. This came after Millard Harris returned a fumble to the Murphy 10-yard line, but an intercepted pass thwarted the threat.

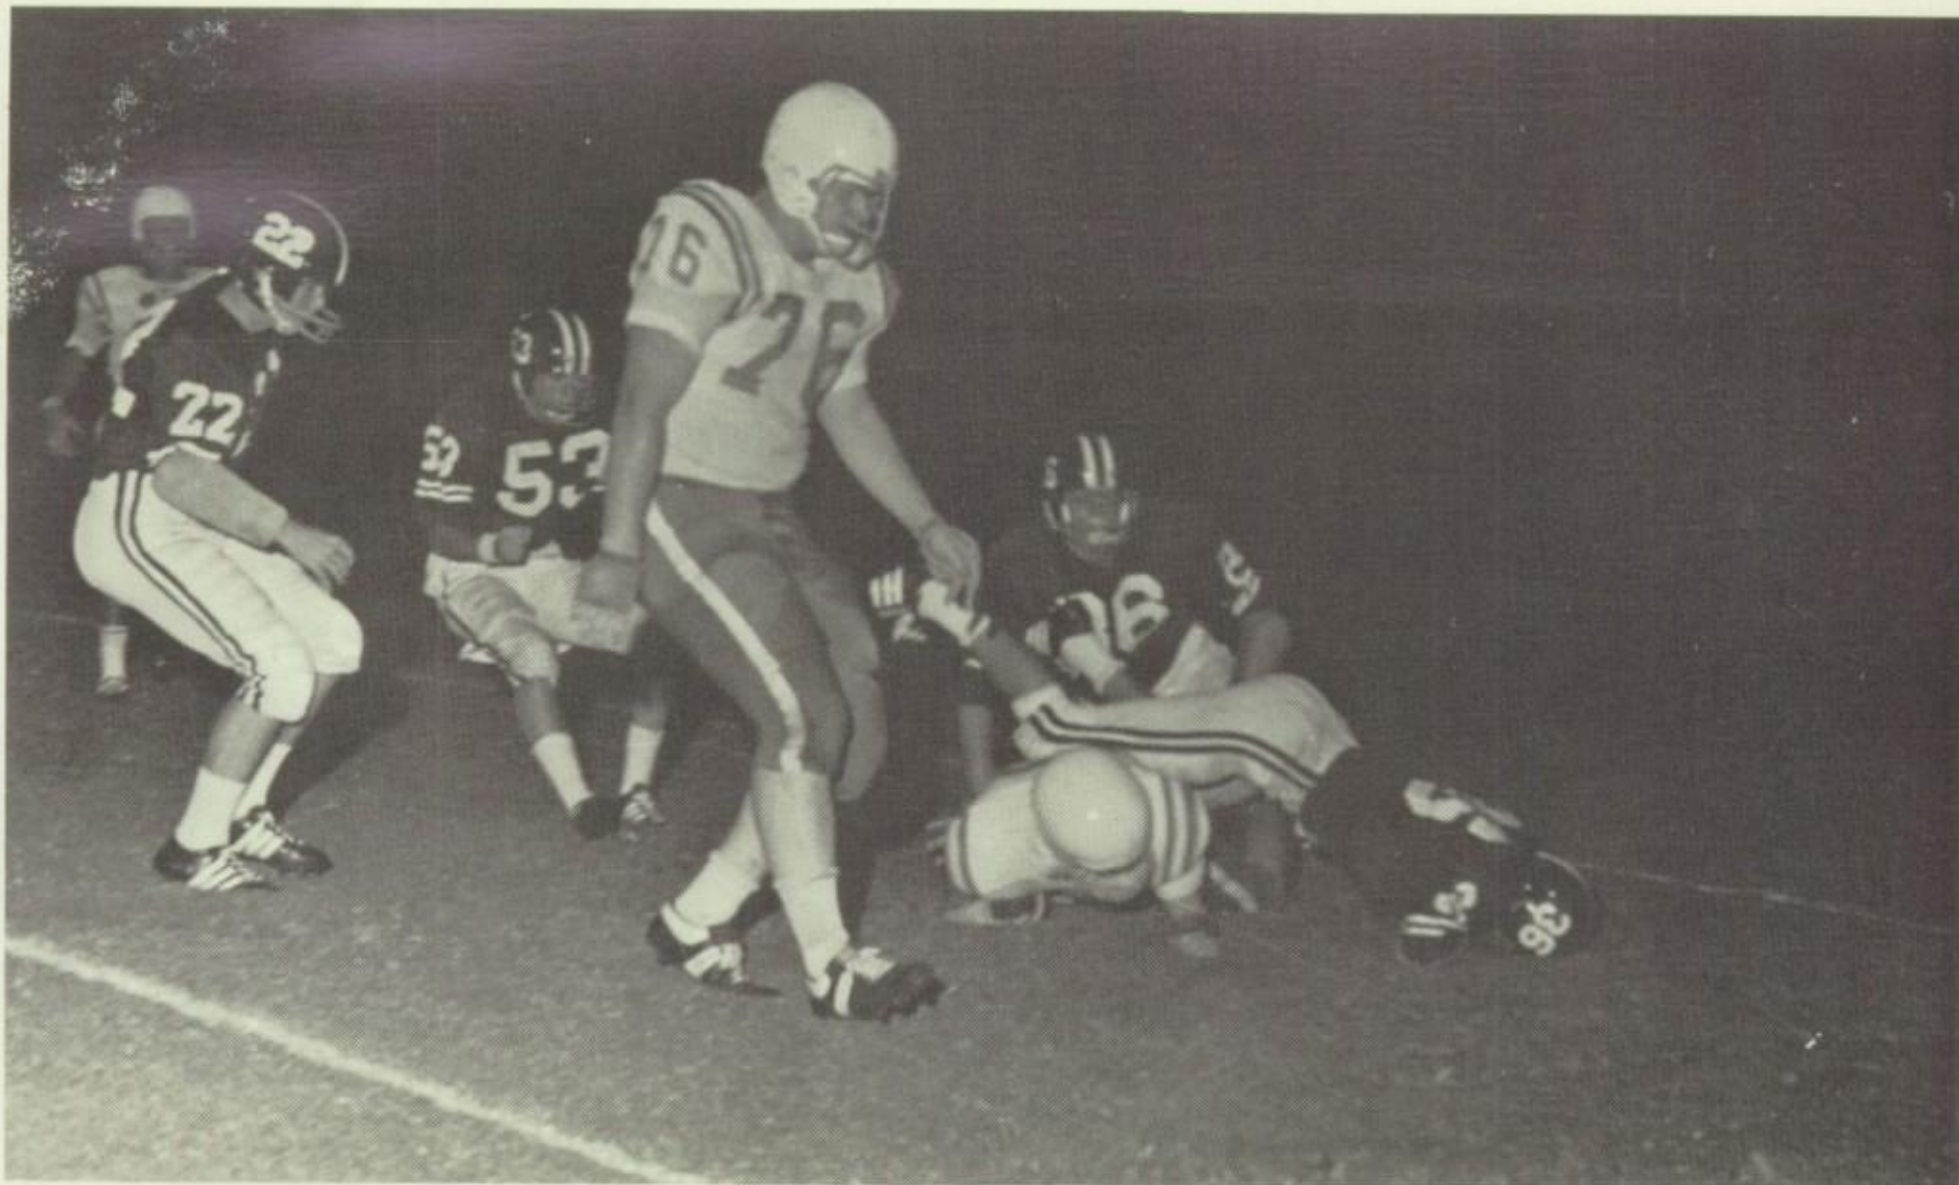

Allen Cox grabs for a pass.

DAVIDSON'S TOPS U.M.S.

The U.M.S. Cadets led the highly-touted Davidson Warriors for over three quarters before falling 18-7. This game was marked by an inspired Soldier defense that contained the Warrior running attack for most of the game. U.M.S. scored first as Forress Rayford passed to Greer Radcliff for the touchdown, and Sid Leak added the conversion. For most of the first half the Cadets held as they tried to protect their slim lead. Near the end of the half Bobby McKinney broke off right tackle on a 50-yard scoring jaunt. The extra point was missed leaving U.M.S. with a 7-6 half time lead. Following a scoreless third quarter Davidson began to mount a determined attack. With about seven minutes left in the game, Davidson scored on a long pass that just eluded Stimpson's reach. The Cadets were unable to move and had to punt. McKinney scored his second touchdown on a 22-yard run that climaxed a drive and ended the scoring for the night.

Alden Davis stumbles against Rain.

RAIN SMASHES SOLDIERS

The B. C. Rain Raiders handed U.M.S. a most convincing 39-13 loss in the fifth outing of the season. Rain showed its offensive power immediately as they scored the first time it had the ball. Before the end of the half, the score had risen to 19-7 as the Cadets could only manage one touchdown on a run by Mike Black. The second half went much the same as Rain scored three more times while the final Cadet score came on a screen pass from Patrick to Bob Montiel.

CATS TRIP CADETS

U.M.S. suffered its third one point loss of the campaign as it fell to Theodore 21-20. The Bobcats scored all of their touchdowns on runs, two of them coming in the first half. The Cadets countered with one of their own in the second quarter on Mike Black's scoring jaunt. After Theodore scored again in the third period, U.M.S. came to life as both Harris and Black scored on passes, but Sid Leak's final conversion attempt failed.

FOLEYS EXTENDS STREAK

The Foley Lions extended their mastery of U.M.S. by rolling up a 21-0 decision over the Cadets. The Lions were able to move the ball rather easily as their big line tore holes in the Soldier defense. Foley scored its first touchdown on a run by Len Barnett following a long drive, with most of the yardage being picked up on the ground. The Lions tallied once more in the first half on a run by Steve McKenzie after the recovery of a Cadet fumble. After the half, the Bulldogs were able to contain Foley's offense until late in the final period. At this point Barnett scored his second touchdown on a pass from Don Chastain. The Cadets were never able to muster much of a threat as they were plagued by three interceptions and a fumble.

JACKETS TAKE CADETS

The McGill Yellowjackets spoiled the U.M.S. Homecoming by posting a 33-12 victory over the Cadets. The game started as a defensive battle as the aroused Soldiers pushed McGill back the first three times it had the ball. The Jackets were also tough on defense as they prevented U.M.S. from moving the ball. Finally, near the end of the first half, McGill was able to mount a sustained drive ending in a touchdown run by Thompson. A hint of bad things to come was given when Reid ran the opening kick-off deep into Cadet territory. From there the Jackets took the ball in for a score to move ahead 13-0. After forcing the Bulldogs to punt, McGill scored again on another sustained drive to run the score to 19-0. U.M.S. scored the first of its two touchdowns on a pass from Millard Harris to Sandy Stimpson. McGill countered by blocking a punt deep in Cadet territory and taking it in for a score to move the score to 26-6. The Jackets scored their final touchdown on a 60-yard punt return by Art Dyas. U.M.S. tallied its last score when Robert Dunn blocked a punt and Matt Mosteller carried it in for the score.

BULLDOGS STOP BEARS

U.M.S. scored its first win of the season by defeating the Robertsdale Bears 19-14. The Cadets scored twice in the first half on Neil Patrick passes to Allen Cox, and Cox also picked up one of the extra points on a pass from Forress Rayford. In the third quarter, Robertsdale pushed across its first touchdown on a 1-yard run. The extra point attempt was successful cutting the Cadet's lead to 13-7. U.M.S. countered with a touchdown of its own as Allen Cox scored on another pass. The extra point attempt failed, but U.M.S. moved to a 19-7 lead. Late in the final quarter, Robertsdale scored on another 1-yard run, ending the game 19-14.

VIKINGS TAKE U.M.S.

U.M.S. lost its final game of the season to the Mary Montgomery Vikings by a score of 20-0. The Vikings scored twice in the first half, both times on short runs following sustained drives. In the second half the Vikings managed to

push across one more touchdown on a long pass. The Cadets were unable to move until the final minutes when they reached the Viking 8, but a penalty stopped the drive.

In the Junior Varsity version of U.M.S. football, the young Cadets were able to post a 1-7 won-loss record. The Junior Varsity had the same kind of luck as the Varsity in that they lost two games by a single point and two other games by six points. The lone Cadet victory came over the Daphne squad; however, in five of the other seven games, the Cadets were in the game until the final whistle. Under the leadership of Coaches Tom Evans and John Wilkerson, the Junior Varsity showed great desire and determination as they continually were forced to play against teams that were both greater in size and number than our team. It is hoped that such boys as David Newell and David Pierce will continue their fine work as the years progress, and they move up to the varsity. With talent like this plus the many young and talented players in the lower grades, the future for U.M.S. football is bright.

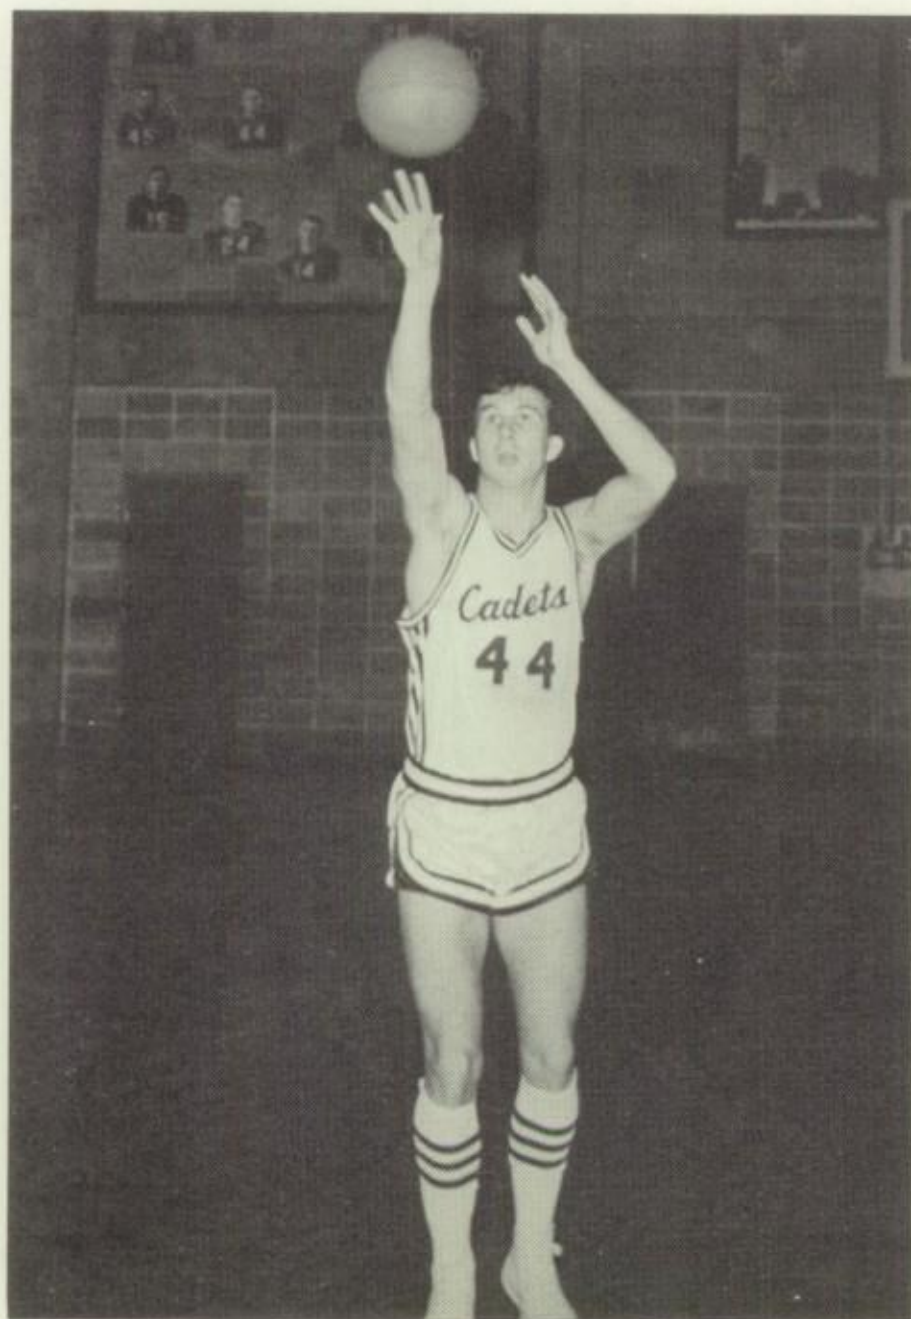

BASKETBALL

First row: M. Mosteller, R. Turner, F. Rayford, M. Elliott, J. Murray. Second row: G. Radcliff, N. Patrick, R. Anderson, A. Cox, J. Damrich, A. Smith.

The basketball team of 1968-69 enjoyed an excellent season in posting an 11-9 won-lost record. Under the supervision of head coach Wes Bizilia, the Cadets played a very conservative and methodical game that forced opposing teams to break from their normal brand of play to a slowdown type of game. Most of these teams were unaccustomed to this style of play, and they often forced into making mistakes in an effort to break the defense open. Due to this type of play, several teams were held to less than 30 points. The Cadet offense was not a high scoring one in that U.M.S. did not shoot until they found themselves in a position for taking a good percentage shot. Using this brand of tactics, U.M.S. beat such highly talented teams as Davidson, Shaw, and B. C. Rain, and they came close to winning against Murphy and McGill. Since only two seniors were members of the team, many juniors and sophomores got in valuable game time that should prove to be a benefit in the next several years.

First row: T. Galanos, S. Leak, J. Coats, R. Popwell, J. Mishkin, P. Coats, M. Pipas. Second row: B. Smith, G. Lum, D. Newell, E. Denniston, O. Delchamps, R. Ogburn, J. Jardine, J. Terry.

TRACK

First row: M. Wiley, J. Murray, E. Fuchs, T. Sharp, L. Roe, N. Holmes, H. McMullen, F. Sturges. Second row: B. Johnson, F. Rayford, S. Stimpson, F. Reynolds, B. Uruqhart, A. Cox, C. Greer, T. Taul, R. Speas.

During the three previous years that Coach Kelly has served as track coach at U.M.S., Cadet track squads have performed with outstanding results. This fine record was capped last year by an overall second place finish in the finals of the state 3-A track competition. This team possessed many fine members, and Coach Kelly drove them hard insofar as conditioning and mental attitude was concerned. This year's team should prove to be no exception to the excellent record achieved during the past three years. Even with the loss of a large number of talented seniors, Coach Kelly always seems to find replacements who are willing to work just as long and as hard as their predecessors. This is mainly the work of Coach Kelly himself. He has a knack of finding talented boys who are willing to work. Many of these boys take part in the program simply because they want to be part of a winning team. As long as the boys at U.M.S. have this attitude, the track program will remain an outstanding part of the spring sports curriculum.

BASEBALL

First row: P. Weaver, M. Reed, M. Black. Second row: M. McPhillips, M. Harris, S. Allgood, A. Harris, S. Leak. Third row: W. Sewell, C. Johnston, B. Smith, M. Elliott, T. Galanos. Fourth row: A. Davis, R. Kurtts, B. McConnell, R. Miller, J. Moore.

The 1969 edition of the U.M.S. baseball team has a number of fine players, but, to the dismay of Coach Norman, they all seem to play the same position. This year there is an abundance of first basemen and shortstops. The one area that is not overly loaded is pitcher. With only Sid Allgood and Neil Patrick as experienced pitchers, some of the younger players, such as Bryan Smith and Mike Elliott, may be pressed into service in positions that they are not used to playing. The infield is essentially sound with Mark Reed, Millard Harris, Andy Harris, and Carter Johnston. Patrolling the outfield will be the job of Paul Weaver, Mike Black, Mike Elliott, Bryan Smith, and Sid Leak. Neil Patrick is expected to handle the catching chores. With this assortment of young and experienced players, U.M.S. is sure to give a very creditable account of itself.

TENNIS

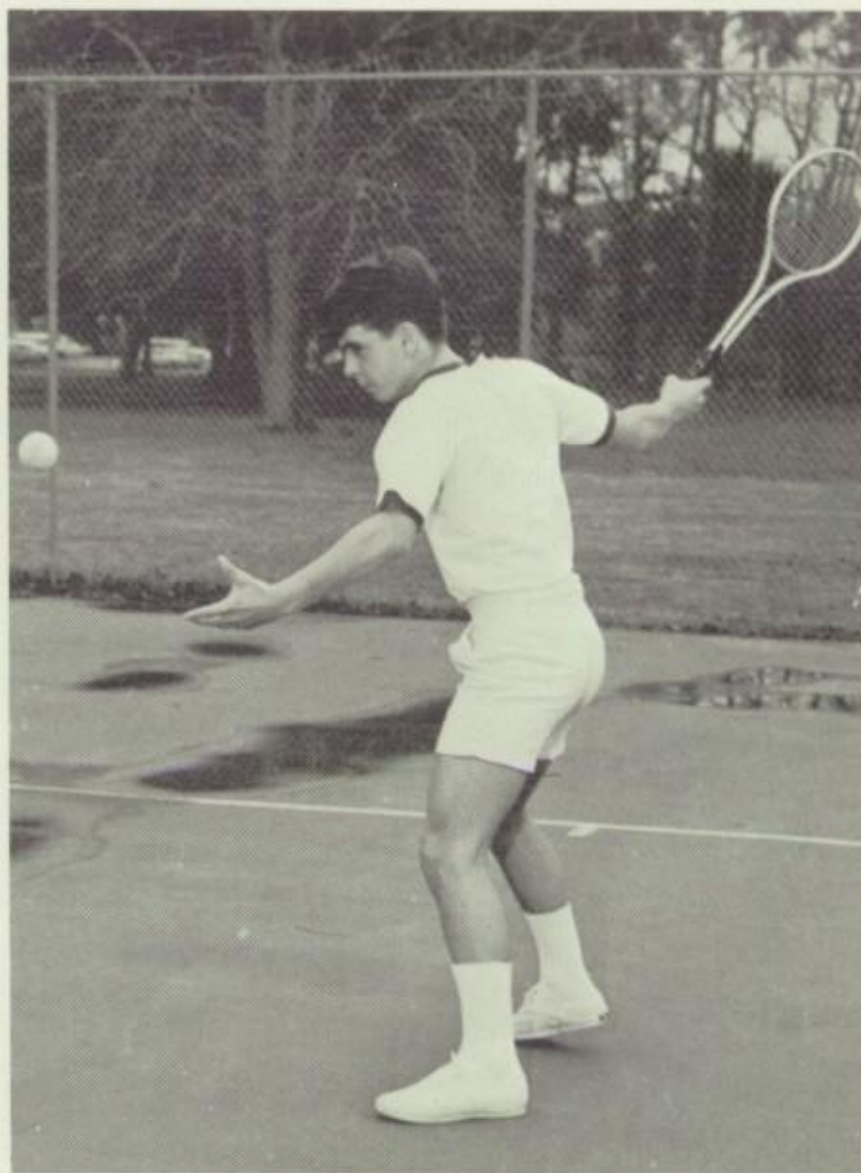

First row: Maurice Crowe, John Frazer, Robert Rouse, Buck Taylor. Second row: Randy Koffler, Steve Olen, Don Grady.

The tennis team of 1968 will go down in U.M.S. history as the first representing this school to win the state championship in this spring sport. Led by state singles champion Steve Olen, Randy Koffler, and Don Grady, this team breezed through the season without a defeat, qualified for the state championship, and then brought the winners trophy to U.M.S. All seven members of the team participated in singles competition during the year, and Olen and Koffler formed one of the doubles teams while Frazer and Grady combined as the other one. Steve Olen had the greatest success of any of our players. He did not lose a single match in individual play nor did his doubles team fail to pick up a victory. While

this is a great accomplishment, the other members of the team also performed with great ability as the results of many of the matches show. In most cases, our team won their matches by margins of 8-1 or 9-0. But that was last year, and this year's team must go on without the services of Olen, Grady, and Koffler. With a large number of young players performing in competition this year, U.M.S. may be at a slight disadvantage insofar as age goes, but not in the light of talent. All these younger players have had a great deal of summer playing experience and should give a very creditable account of themselves. With these fine players, another state title may be close at hand.

GOLF

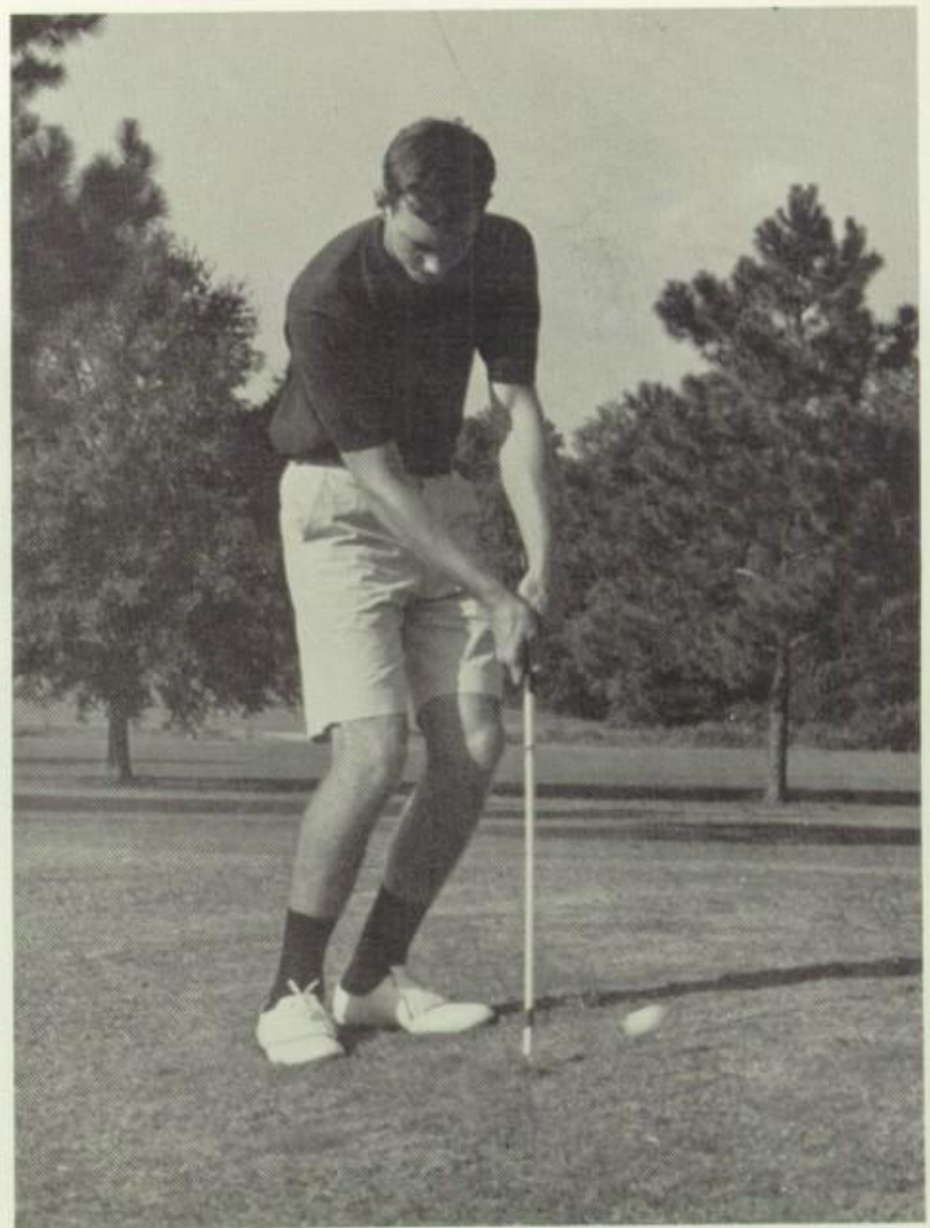

First row: Andy Smith, Crawford Binion, Robert Peace. Second row: Coach Bizilia, Bob Hanks, Blane Petroutson, Blake Moore, John Damrich.

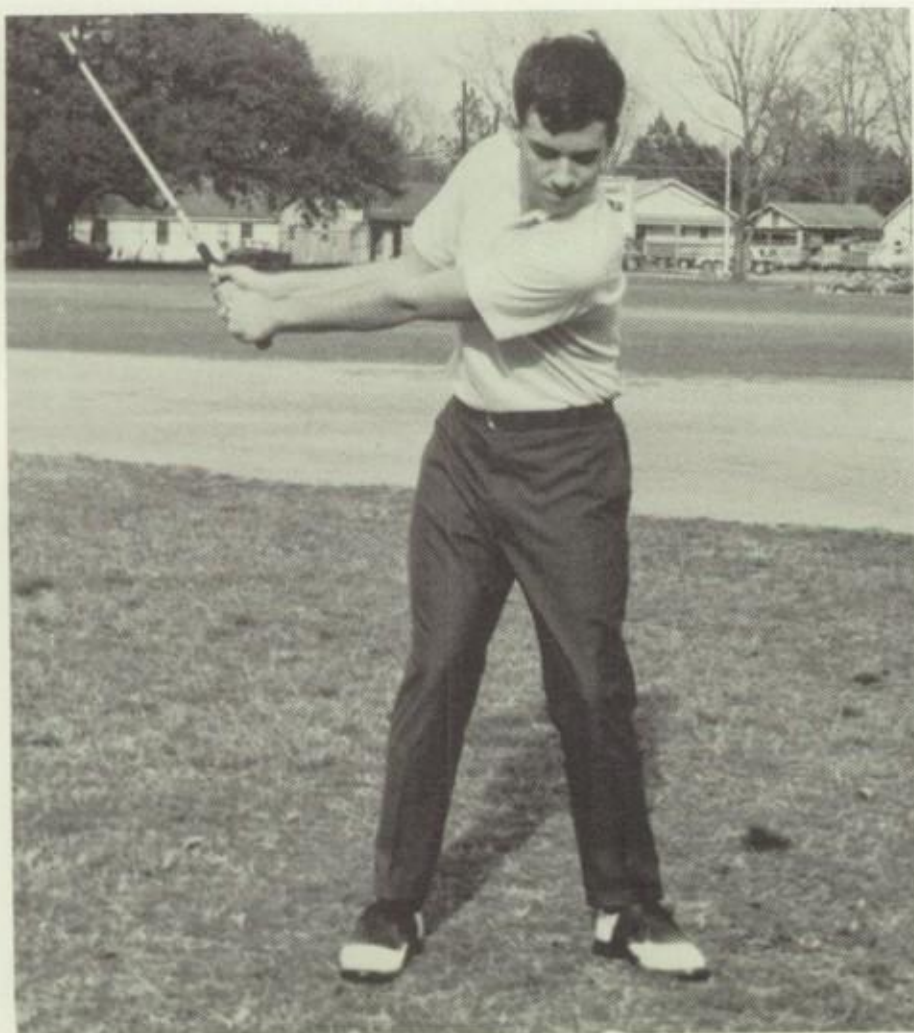

The golf team of 1969 could well be one of the strongest in the history of the program at U.M.S. With the return of four lettermen and the addition of two transfer students who lettered at other schools, the golf team has an excellent chance of distinguishing itself in the district and state levels of competition. Last season, two golfers from this school participated in the state finals in Birmingham. Andy Smith managed to finish in the top ten individually while Burton Clark finished in the top twenty. Clark has since graduated but Smith is back for one more year of competition. Under the leadership of new coach Wes Bizilia, U.M.S. can field an experienced team of Bob Hanks, Randy Speas, Blane Petroutson, Crawford Binion, John Damrich, Robert Peace, Blake Moore, and the aforementioned Smith. With these fine players and other young and talented players, U.M.S. should distinguish itself in golf for the next several years.

SWIMMING

S. Lapeyrouse, J. Murray, B. Lubel, S. Mosher, J. Vogelsang, R. Murray, M. Mosteller.

Although in only its second year of existence, the U.M.S. swimming team is regarded as one of the strongest in the state of Alabama. Under new coach Tom Evans, the swimmers will compete in several state meets plus various regional events. Last year, the swim team performed admirably in its first competitions, with Matt Mosteller and Bruce Lubel finishing high in individual events. This year with a more experienced group, the swimmers can expect to be even more successful in their meets. Since no seniors were present on the team last year, the team should be at full strength. With the added hope that more of the younger boys will begin to participate, swimming at U.M.S. could become a very popular spring sport. As more and more schools in this area take up swimming, this sport could become an interesting endeavor.

In completing this annual, the 1969 *Cadet* Staff would like to express its gratitude to those who have helped us during the past year. We extend our sincere appreciation to:

McEachern of Mobile, Inc. whose professional assistance has been invaluable;

Mrs. Eloise Foster for her efforts in getting us started;

Mr. Ernie Crates, our Inter-Collegiate Press representative;

The administration and faculty of U.M.S. and especially Col. R. E. Hanks whose patience and assistance have been essential; and

Captain William G. Treutel, our advisor, whose guidance and advice has made working on *The Cadet* a rewarding experience for us all.
